**EUROPEAN  
AQUATICS<sup>®</sup>  
MASTERS  
CHAMPIONSHIPS  
BELGRADE-2024**

It gives me great pleasure to introduce this Information Bulletin containing practical information to help you organise your participation at the 2024 European Aquatics Masters Championships in Belgrade, Serbia.

I would like to warmly thank our friends at the Serbian Swimming Federation, led by President Ms Snežana Žugić as well as my friend and Vice President of European Aquatics, Vanja Udovicic, for agreeing to host this competition under the best possible conditions, despite having only just over six months of preparation time.

With the events taking place in the same disciplines as for the European Aquatics Championships, with the addition of a Water Polo competition, Europe's masters' community will find a warm Serbian welcome onsite.

Great efforts have been made to ensure that the pools and open water facilities in Belgrade will give athletes the best possible environment to perform.

The Masters' swimming events will take place from 26 June to 3 July at the Milan Gale Muskatirovic pool. Tasmajdan Indoor pool will host Artistic Swimming from 29 June to 3 July. Divers will be able to perform from 28 June until 3 July at the Institute for Sports and Sport Medicine while Open Water athletes will compete at Lake Ada Ciganlija from 4-6 July. Finally, Masters Water Polo athletes will be in action from 26 June to 3 July at the NBG "11 April" pool complex.

Aquatics is truly a sport "for life" and European Aquatics is delighted to support participation from Masters who may have spent decades enjoying and competing across the different disciplines and who come together to share their love for the water. It's important to note that this is the first year of the implementation of the European Aquatics Strategic Plan 2024-2030, and a key part of this work will be to launch specific strategies for each of the aquatic disciplines, including masters.

Serbia is a sport loving country with rich history, but it is also becoming increasingly known as a host of major competitions, across all sports. This is a tribute to the city and national authorities, who understand the value of sport and are ready to commit to hosting major international events.

You will find in this bulletin, all the key facts and information to allow you to plan and organise your participation.

Thank you for your attention and I look forward to seeing you in Belgrade.

EUROPEAN  
AQUATICS  
MASTERS  
CHAMPIONSHIPS  
BELGRADE-2024

Dear Friends,

Serbia has been a proud sports nation for many years. It is our great pleasure and honour to be hosting such an event like European Aquatics Masters Championships in year 2024 in Belgrade.

This event represents the continued legacy of Serbian aquatics sports and I sincerely thank European Aquatics for the confidence shown entrusting us organisation of this event.

Furthermore, I thank our partners, the Serbian Government, the Ministry of sports and the city of Belgrade for their support and commitment in this event. Together we are pleased to welcome you all to the capital of Serbia – Belgrade.

Belgrade is easy to access and experience. We hope that you will enjoy the flourishig cultural life and vibrant atmosphere in which you can meet the easy-going and open-minded Belgraders.

It is our hope that all the teams shall bring back good memories and results from the championships and we hope that everyone will enjoy their stay in our capital. We therefore look forward to once again demonstrating Serbia`s unparalleled potential to meet your needs and to show our passion about sport.

On behalf of Serbian Swimming Federation I wish you all a pleasant and enjoyable stay.

**Snezana Zugic**

Limit of events in swimming per individual: Maximum 5 events per person and maximum 2 events per day. For open water swimming no limits.

Qualifying time calculation: It is alright to use converted time from 25 meter pool (SC) to 50 meter pool (LC), but it is always the competitor's responsibility to achieve the stated minimum time in their event itself. If a competitor is very far from the specified qualifying time at the competition, he/she may be disqualified from the competition in other events. If needed it is possibility to use this conversion tool: <https://swimswam.com/swimming-times-conversion-tool/?type=classic>

Named relay panel will be registered via online link, to be provided at later stage.
